Dear Aleksandra,

Your ballet enterprise, more than just a shop, impressed the Russian TV crew and me a lot. The Russian audience will go wild over the impressive merchandise you offer. We were very pleased with the interview. Your answers were informative and understandable for any audience. Galina Kachimskaya thought your interview was the best in the USA. Congratulations!

I would like to thank you on behalf of the crew, Galina Kachimskaya, Slava Petrov and Dima Motovilov as well as on behalf of the US Embassy in Moscow and the State Department in Washington, DC.

I am very dedicated to this program. However, it would not be this effective were it not for Americans like you, who cooperate with us.

Any feedback from Russia will be forwarded to you.

Yours truly,

Bill McGuire
